HARLEM TOWNSHIP/ ROVER RUN/ SCHOONMAKER PARK

You are solely responsible for supervising your dog and determining whether or not this is an appropriate activity to participate in. You must understand you are participating at your own risk (and risk of your dog). You are solely responsible for determining if you and or your dog are physically fit and or adequately skilled for activities contemplated by this agreement. If your dog is the aggressor in a dispute at the park, it is Harlem Township's policy that your dog not be allowed back at the park until dog obedience classes are completed. It is always advisable, especially if the owner/handler or dog is pregnant, disabled. In any way or recently suffered illness, injury or impairment, to consult a physician or veterinarian before undertaking any physical activity.

**Warning of Risk** Dog training or simply allowing your dog off lead is intended to provide a fun and rewarding experience for a dog and its owner/handler. However, despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury, including death to either the dog or its owner/handler. Understandably, not all hazards, and dangers associated with animal activities can be foreseen. Certain inherent risks include the propensity of any dog to behave in dangerous ways that may result in injury to the owner /handler or other patron or dog. Certain risks include, but are not limited to the negligence or irresponsibility of another dog owner/handler; the inability to predict a dog's reaction sound, movements, objects ,persons, or other animals; and actions by the dog due to fright, anger, stress, insect bites or natural reactions such as jumping, pulling, resisting and biting. Other risks include the hazards associated with environmental and traffic conditions, acts of god, inclement weather, slipping, falling, premises defects, equipment failure, failure in instructions/supervision, and all other circumstances inherent to animal and outdoor activities. Should you attempt to break up a fight between dogs, you may be attacked and severely mauled by the other dog or attacked by the other handler/owner. In this regard it must be recognized that it is impossible for Harlem Township to guarantee absolute safety. If your dog is the aggressor, it is Harlem Township's policy that your dog not be allowed back at the park until dog obedience classes are completed.
